

CENTRE COUNTY MPO

METROPOLITAN PLANNING ORGANIZATION

SUMMARY REPORT OF THE APRIL 22, 2025 MEETING

Safety Awareness Moment - National Work Zone Awareness Week - [Click here to learn more](#)

State College Area Connector (SCAC)

A public meeting is planned for Thursday, May 8th at the Wyndham Garden Hotel in State College. This meeting will present updated information on the SCAC alternatives, along with PennDOT’s recommended preferred alternative. Stakeholders will have an opportunity to view meeting exhibits and meet with the study team to ask questions and make comments. The meeting materials will be available on the study webpage starting on Monday May 5th. The flier is attached below.

Projects Committee

On April 10, CCMPO staff were notified that PennDOT allocated \$500,000 to the CCMPO’s Centre County Resilient Routes Planning Study through the state-wide PROTECT program to complete a scaled-back version of phase one of the original federal grant application. Completing the first phase will allow the CCMPO to develop a resilience improvement plan and consider immediate and long-term options to make our transportation network more resilient to extreme weather events.

Safe Streets and Roads For All

The Coordinating Committee made a motion that the Safety Subcommittee serves as the advisory body for the grant and expand the committee size as needed to meet the requirements of the grant. Motion passed 11-0.

EV Infrastructure Subcommittee

The CCMPO is hosting three EV Community Listening Workshops to educate on EV charging infrastructure, share technical resources, and gather community input on optimal charging station locations within Centre County.

- **April 16, Wednesday 4 – 6pm @ Central PA Institute of Science and Technology, Pleasant Gap**
- **April 30, Wednesday 1 – 3pm @ Holiday Inn Express, State College**
- **May 7, Wednesday 4 – 6pm @ CenClear, Philipsburg** - The May 7th session will also feature an opportunity to provide feedback about safety and congestion issues for Phillipsburg and the surrounding area.

Upcoming Meetings:

Projects Committee
May 30, 2025
10:00 a.m.

Technical Committee
June 11, 2025
9:30 a.m.

Coordinating Committee
June 24, 2025
6:00 p.m.
