COMPREHENSIVE PLAN ELEMENTS

1.	Acknowledgements.....	4
2.	Introduction.....	6
3.	Land Use.....	16
	• Region-wide Planning and Community Development	
	• Regional Growth Boundary	
	• Sustainable and Smart Development Practices	
	• Rural Residential Areas and Rural Centers	
	• Agriculture Viability	
	• Agricultural Land Preservation	
	• Agricultural and Urban Area Compatibility	
4.	Transportation.....	30
	• Mobility and Safety	
	• Mode Choice	
	• Transportation and the Environment	
	• Land Use and Transportation	
	• Transportation Funding	
5.	Open Space, Conservation & Recreation.....	44
	• Open Space	
	• Conservation	
	• Parks and Recreation	
6.	Housing.....	52
	• Supply	
	• Variety/Affordability	
	• Location	
	• Design	
	• Independence	
7.	Community Services & Facilities.....	64
	• Water	
	• Wastewater	
	• Refuse and Recycling	
	• Utilities	
	• Emergency Services (Law Enforcement, Fire Protection, Medical)	
	• Schools and Libraries	
8.	Sustainability.....	82
	• Water and Sewer Services	
	• Transportation	
	• Energy Efficiency	
	• Municipal Resources	
	• Communications	
9.	Natural, Environmental, Cultural & Historic Resources.....	94
	• Natural Resources	
	• Environmental Resources	
	• Cultural and Historic Resources	

10. Community & University Relations.....102

- Transportation
- Land-Use Integration
- Student Housing
- Communications
- Contributions to the Community

11. Economic Development.....112

- Centre Region Economic Development Assessment Recommendations
 - Short-term Recommendations
 - Mid-term Recommendations
 - Long-term Recommendations
 - Phasing
- Goals, Objectives, and Policies
 - Economic Sustainability

12. Implementation.....118

- The Implementation Strategy
 - Strategy
 - Implementation Timeframes
 - Implementation Responsibility
- Measuring our Progress
 - Establishing Metrics
 - Progress Reports
 - Periodic Assessment

Map Index (located in back of document).....M1 - M18

- M1 - Centre Region Overview
- M2 - Future Land Use The Centre Region
- M3 - Future Land Use College Township
- M4 - Future Land Use Ferguson Township
- M5 - Future Land Use Halfmoon Township
- M6 - Future Land Use Harris Township
- M7 - Future Land Use Patton Township
- M8 - Future Land Use State College Borough
- M9 - Transportation Inventory - Road, Rail & Air Facilities
- M10 - Transportation Inventory - Bicycle Facilities
- M11 - Transportation Inventory - Mass Transit
- M12 - Open Space & Parks Inventory
- M13 - Conservation Inventory
- M14 - Utilities Inventory
- M15 - Septic Suitability
- M16 - Emergency Facilities & Coverage Areas
- M17 - Educational Facilities
- M18 - Natural Resources & Environmentally Sensitive Areas
